### Advanced People Search

Go beyond name searches to find the executives you need to reach. Search for executives by company name, title, location, industry, and company size.

### Contact Information

Don't waste precious time calling around to find the person you need within a company. ZoomExec finds the executive for you and provides you with their direct contact information.

### Comprehensive, Easy-to-Read People Profiles

Access ZoomInfo's easy-to-read profiles, with in-depth information on your key contacts, including their employment history, education, user-posted biography (when available) and Web references for where the information was pulled, to help you quickly build rapport with your contact.

### Free Company and Industry Search

ZoomExec is fully integrated with ZoomInfo.com, giving you access to its business information search engine with free profiles on companies and industries. Search for companies in your key industries, using your specific criteria, for targeted lists.

### Export Searches

For an additional \$0.50 per name, export lists of executive contacts into your CRM application for quick and easy workflow.
