

ZoomInfo Lists

Segment lists like never before with the ability to target companies and individuals using very specific criteria. Find highly-qualified prospects, or build out key accounts by uncovering new decision makers and influencers.

Even better? ZoomInfo Lists helps align your sales and marketing efforts with a tool that gets you in touch with the right people and delivers deep information to help quickly build rapport with those people.

For more information, visit www.zoominfo.com/zoomlists or call 1.866.904.9666.
