

Growth Story Hire 10

Hire10 needed to grow. ZoomInfo provided the tools. Together they got the job done.

Hire10, a privately held Executive Search Firm focusing on the Commercial Construction Industry, knew that to grow business – it needed to accelerate lead generation efforts. The roadblock? The company's manual approach to business development was a long, drawn-out process hindered by inaccurate data and a lack of direct dial phone numbers and email addresses. Instead, Hire10 needed large-scale, global access to quality prospect data. So, at the beginning of 2019, the team invested in ZoomInfo.

The rest is history in the making...

With ZoomInfo, Hire10 sourced with ease, precision, and speed.

Founded in 2017, Hire10 worked hard in the early years and signed five customers. Since implementing ZoomInfo, the team added 27 new clients in only a few months. With ZoomInfo's customized approach to recruiting, Hire10 was able to get granular and focus outreach on a sweet spot: high growth, middle market organizations that required recruiting services. Additionally, Hire10 began supplementing popular hiring resources like Indeed and LinkedIn with ZoomInfo's database - cross-referencing candidates in the market with accurate contact information. Since onboarding with ZoomInfo, Hire10...
